ACHILLEAS ARVANITIS

EY Greece Partner Consulting Services -
EY Studio+ Leader in Greece and Europe Central

Achilleas Arvanitis is a Partner at EY and leads EY Studio+ in Greece and Europe Central. He advises leading organizations and senior executives on growth and transformation, helping them reimagine how they engage with customers, operate and create value in an increasingly technology- and AI-driven world.

Throughout his career, he has led large-scale transformation programs across industries, spanning growth and digital strategy, customer experience, new propositions, operating model transformation and innovation. His work sits at the intersection of business, customer and technology, turning strategic ambition and emerging opportunities into tangible business outcomes.

Achilleas holds an MSc from Imperial College London and a degree in Electrical and Computer Engineering from the National Technical University of Athens.
